E - Biketour

The transfer bus brings us to the starting point of the tour. After the ascent to Pico Arieiro, where we can enjoy the great view of the mountains, we continue to Eira do Serrado. After a walk to the lookout point with a magnificent view of Curral das Freiras, we can reward ourselves with the delicious chestnut cake and a "chinesa" in the Hotel Eira do Serrado. The view from Pico dos Barcelos over Funchal is amazing. Through the city center of Funchal and a detour through the market hall, the last climb goes in the direction of Caniço de Baixo.
